MacroSolve's ReForm XT Available on BlackBerry App World

Ranked among top downloaded apps in one of its first weeks on BlackBerry App World

TULSA, Okla., September 16, 2009 - MacroSolve, Inc., (OTCBB:MCVE), announced today its Anyware Mobile Solutions division's ReForm XT™ mobile form builder is available on BlackBerry App World™ for BlackBerry® smartphones and was ranked a top downloaded app in one of its first weeks on BlackBerry App World, according to Wireless and Mobile News. ReForm XT can be downloaded on BlackBerry App World (www.blackberry.com/appworld) and is available for a free 30 day trial.

"BlackBerry is one of the most widely used smartphones worldwide and we are pleased to have our ReForm XT mobile form builder available to BlackBerry users who look for outstanding apps that run on their smartphones," stated MacroSolve President and CEO Clint Parr. "We look forward to making more apps available on BlackBerry App World in the near future."

ReForm XT is a web-based mobile form builder that provides non-technical users the ability to build custom mobile form applications to fit specific information gathering needs. Virtually any paper form can be replaced, including route delivery, QA reports, inspections, surveys, checklists, time & attendance, and many others. Once the information has been collected on the mobile device, it is uploaded to a secure centralized server, where the information can be viewed as HTML reports, downloaded as a spreadsheet, or sent to individuals or groups via email. Automated emails and text messages can even be sent based on form submission with ReForm XT's notification function.
